

Nueva Pescanova participates in Dubai at Gulfood, the largest food exhibition in the Middle East

Vigo, 16th February 2022 - The Nueva Pescanova Group is attending for the first time, through ICEX, at Gulfood, one of the world's largest food and beverage exhibitions held in Dubai until Thursday, 17th February. The company is presenting a range of around fifty seafood products.

In the words of **Ignacio González, CEO of the Nueva Pescanova Group**, "Gulfood welcomes for the first time the seafood sector and we are extremely grateful for having been given the opportunity. It is a privilege to take part in such renowned exhibitions as this one, where we can make the quality of our products known and which act as an excellent world showcase for the latest seafood trends".

Nueva Pescanova, a leading company in its sector specialising in the fishing, farming, processing and marketing of seafood products, works with a strict quality policy that is recognised worldwide. The Company's aim is to bring the best seafood products to the tables of millions of households, regardless of where they are caught or farmed, maintaining their freshness and guaranteeing all their qualities for a rich, healthy and wholesome diet.

The event is attended by professionals from **120 countries**, as well as **more than 4,000 companies, some 150 speakers and more than 100 award-winning chefs, business leaders and authorities**.
